MEMORANDUM

TO: Boston Redevelopment Authority

FROM: John C. Conley, General Counsel

DATE: February 5, 1974

RECEIVED

BOSTON REDEVELOPMENT AUTHORITY
OFFICE OF THE DIRECTOR

SUBJECT: Downtown-Waterfront Faneuil Hall Urban Renewal Area
Project Mass. R-77
Tentative Designation of the United City, County and State
Employees Union Local No. 285 as Redeveloper of
Commercial Block Building - Parcel C-2-C

The HUD Urban Renewal Handbook lists the following persons or organizations as ineligible to be a redeveloper or to have any financial interest in a redeveloper:

- " (1) A member of the governing body of the Authority or municipality.
- (2) An employee of the Authority or municipality who exercises responsibility concerning the project.
- (3) An individual or firm that was retained by the Authority as a reuse appraiser of land in the project area, or, at any time after invitation for proposals, was performing consulting services for the Authority in connection with the project.
- (4) A private individual or firm that has provided or proposes to provide a local grant-in-aid to the project.
- (5) A private individual or firm from whom the same property was acquired. "

Further, the HUD standard Part II for Professional or Technical Services Contracts contains the following:

"The Contractor covenants that he presently has no interest and shall not acquire any interest, direct or indirect, in the above-described project or any parcels therein or any other interest which could conflict in any manner or degree with the performance of his services hereunder. "

In the case of the United City, County and State Employees Union, Local 285, the question arises could there be members of the Union who are employees of the Authority or the City of Boston who exercise responsibility concerning the project? The answer is yes there could be such members but this is not known in fact. The existence of such members raises the question - does such membership in the Union give them any financial interest in the Union as redeveloper? The only financial interest a member of the Union has in the Union is as the Union represents him as the collective-bargaining agent. Thus, a member in a union benefits to the extent that the union is able to gain for him better wages, working conditions and fringe benefits. To such a union the member pays dues. His dividends are in the collective-bargaining process.

In a union representing City, County and State employees, the members that might be employees of the Authority or municipality who exercise responsibility concerning the project would certainly have to be an exceedingly small fraction of the total membership if in fact they exist at all. The employees of the Authority are not represented by any bargaining unit and as such few if any might belong to said union. It is usual that in such bargaining groups management or key personnel are excluded and not a part of the bargaining group.

Thus, I conclude that the United City, County and State Employees Union Local No. 285 is not ineligible, but is an eligible redeveloper and there is no conflict of interest.

However, I wish to add that as to any possible violation of the State Conflict of Interest Law only the Corporation Counsel can advise as to that.

MEMORANDUM

APRIL 11, 1974

TO: BOSTON REDEVELOPMENT AUTHORITY

FROM: ROBERT T. KENNEY, DIRECTOR

SUBJECT: DOWNTOWN-WATERFRONT-FANEUIL HALL URBAN RENEWAL AREA
PROJECT NO. MASS. R-77
TENTATIVE DESIGNATION OF REDEVELOPER
COMMERCIAL BLOCK BUILDING
DISPOSITION PARCEL C-2-C

Summary: This memorandum requests that the Authority tentatively designate the United City, County and State Local No. 285 Development Fund, Inc. as Redeveloper of the Commercial Block Building in the above-captioned Urban Renewal Area.

The Commercial Block Building is located at 127-144 Commercial Street within Parcel C-2 of the Downtown-Waterfront-Faneuil Hall Urban Renewal Area. The building now located on this parcel is six stories in height and contains approximately 42,000 square feet of floor space.

The type of submission sought by the Authority for this building called for its conversion from an obsolete, abandoned warehouse to a multi-family apartment structure with community oriented commercial space on the ground floor.

The submission of the United City, County, and State Employees Union Local No. 285 Development Fund, Inc. with offices located at 151 Tremont Street, Boston, fulfills all the requirements set by the Authority. Their proposal for the rehabilitation of this building provides for 37 apartment units on the upper 5 floors, utilizing approximately 32,700 square feet of space, 5,000 square feet of commercial space on the ground floor, and 5,000 square feet of storage space in the basement. The composition of the dwelling units is 22 one-bedroom units, 9 two-bedroom units, 1 three-bedroom unit, and 5 efficiency apartments.

The commercial uses to be provided are to be community oriented. The Redeveloper has chosen the firm of Harry Gulesian & Associates of Ten Newbury Street, Boston, as their architect. L. J. Reardon Co., Inc., of Norwood, Massachusetts, will be the General Contractor. It is considered that this development team has the expertise, experience, and financial resources to successfully complete the project.

The recommended redeveloper, United City, County, and State Employees Union Local No. 285 Development Fund, Inc. has agreed that 25% of the units will be for low income housing; and the redeveloper further agrees that the building will not be utilized as a Union Hall or for Union offices; and they further agree in the selection of tenants to give preference to residents from the North End and have further agreed that there will be no preference given to individuals or families associated with the United City, County, and State Employees Union Local No. 285.

It is therefore recommended that the Authority tentatively designate the United City, County, and State Employees Union Local No. 285 Development Fund, Inc. as Redeveloper of the Commercial Block Building in the Downtown-Waterfront-Faneuil Hall Urban Renewal Area.

An appropriate Resolution is attached.
